

Actor's Toolkit Must-haves:

Various Song Genres in Book:

- Your book should have clearly marked sheet music by genre along with full song, 16 bar, and 16 bar cuts of each song (Index at the front is awesome and more organized for accompanist)
- I would suggest starting with 4 songs in each of the following genres:

Modern Pop
Classic/Country
Rock
Folk
Jazz
Soul
Funk
Disco
Ballad

Monologues:

- You should have as much variety in your monologues as you do your rep book. I suggest having 2 monologues in each genre.

Modern Pop
Classic/Country
Rock
Folk
Jazz
Soul
Funk
Disco
Ballad
